

SUMMER EXPERIENCE 2018

An exciting and international
experience in hospitality

GLION
INSTITUTE OF HIGHER EDUCATION

DISCOVER YOUR PASSION FOR HOSPITALITY

Three Options

With three study options available, the Glion Summer Experience will give a perfect insight into the world of luxury hospitality and a taste of what our undergraduate business degree students learn. You will have the opportunity to study in two different locations, while meeting people from everywhere around the globe and making life-long international friendships.

Glion, CH One Week Course

You will arrive in the birthplace of hospitality – Switzerland. Here you will learn hands-on hospitality skills in kitchen, service and rooms division, visit local attractions, and see first-hand how Swiss chocolate is made.

London, UK One Week Course

Learn what it takes to manage an international business through workshops and field trips to world-famous hospitality companies including a visit to a luxury establishment and a tour of a premier sports arena.

Glion and London Two Week Course

If you're looking to immerse yourself in hospitality from two cultural perspectives, you can choose to complete both the week in Switzerland and the United Kingdom for a two-week course.

In both locations, you will learn from the best as you participate in introductory lectures and workshops by Glion's distinguished faculty and visiting speakers such as Chef Benoit Carcenat, who previously worked in one of the best gastronomic restaurants in Europe.

Combine theory with real life experience as you start learning practical skills in food & beverage and rooms division departments and end by applying and expanding your knowledge in luxury hospitality and business management.

Learn Skills in:

- Restaurant concept and design
- Food preparation and planning
- Luxury hospitality
- Five-star customer service

Gain Knowledge in:

- The key facts, figures and trends of the global hospitality industry
- The key concepts of daily operations within the industry
- Memorable luxury experiences
- Global business practices

Acquire Competencies in:

- Working in a multicultural environment - meet and work alongside students and teachers from countries around the world
- Team work through group activities, projects and workshops

Introduction to the Luxury Hospitality Industry

During the Hospitality Management class, you will learn about career opportunities, as well as the personal skills required for you to be a successful professional in this fast paced and fun industry. Be prepared to get involved, share your thoughts and have some fun!

You will also learn about delivering exceptional personal service and creating memorable experiences for luxury clients and guests.

Explore, Visit and Learn

Set across two destinations, you will visit the finest luxury hotels offering elegant service for today's discerning travellers. This will help you to picture what the industry is all about.

You will also have the chance to take part in fun activities such as a theatre trip to see a famous musical, movie nights, a trip to leading sports arena, visits to leading hotels, visits to the famous London sights and markets, a visit to a traditional village to see how the Swiss make their cheese and much more!

MasterChef and Dining Experiences

You will learn what 'excellent service' means in the hospitality industry and how to provide the best service to customers, as well as an overview of the food and beverage industry.

A MasterChef workshop will help you to understand how to work in teams to create a three course lunch, which you will then enjoy eating. Dining Experience workshops will teach you how to differentiate and deliver service styles in a fun and practical way.

Discover the Glion Spirit and Make Life-Long International Friends

Glion Summer Experience will organize a series of unique activities such as dining out, excursions, team games and a farewell party – giving you the chance to enjoy London & Montreux and discover the Glion spirit!

Exploring the global hospitality tourism scene and making new friends from all over the world is the perfect start for your future hospitality career.
